

URBAN TERRAIN

OUTDOOR APPAREL

VOLUME 1

URBAN TERRAIN

BUILT TO ENDURE. DESIGNED TO EXPLORE.

Urban Terrain was born from a deep respect for nature's extremes and the fast-paced demands of everyday life. Our apparel is made for those who move between both - one foot in the wild, the other on city ground.

From rugged trails to rooftop gatherings, our gear is designed to adapt. Whether you're navigating dense bushveld, casting lines at first light, or heading straight into a meeting or social event, Urban Terrain moves with you. It's performance apparel made to move seamlessly between wild terrain and urban streets - built for versatility, wherever life takes you.

Our lightweight, breathable tees are perfect for hikes, hands-on work, or everyday wear. Our refined golf shirts, on the other hand, transition effortlessly between untamed terrain and urban occasions - ideal for those who want to look sharp without giving up function.

Our shirts deliver structure and flexibility - tough enough for the outdoors, breathable for long days, and polished enough for a team meeting or post-hike hangout. Our pants and shorts are built for resilience and ease, with performance fabrics and smart design features that keep you agile and ready for whatever comes next.

When the elements turn, our outerwear rises to meet the moment. From warmth-locking hoodies to storm-defying jackets, every layer is engineered to protect without holding you back - whether you're bracing against mountain winds or city downpours.

Urban Terrain sets a new standard - where rugged performance meets refined style. This is gear built to go the distance and look the part, no matter the setting.

It's made for those who forge their own path - because true adventure isn't just about the journey, it's about the impact you leave behind.

GEAR UP. VENTURE BEYOND.

FEATURE ICON REFERENCE

ADJUSTABLE CUFFS
Customise the fit with adjustable cuffs to keep the cold out, ensuring comfort and protection during outdoor activities in varying weather conditions.

INNER FLEECE
Soft inner fleece lining provides superior warmth and comfort, ideal for layering on cold days without compromising breathability or mobility.

UTILITY POCKETS
Multiple utility pockets provide practical storage for tools, gear, or essentials, offering easy access and organisation while you're on the go.

ADJUSTABLE HOOD
Tailor the hood's fit for optimal protection from the elements, offering flexibility to shield against wind, rain, or sun while maintaining comfort.

INTERIOR POCKETS
Thoughtfully designed interior pockets provide secure storage for valuables, offering easy access and peace of mind while you're on the move.

UV PROTECTION
Built-in UV protection helps shield your skin from harmful sun rays, allowing you to stay safe and comfortable during long outdoor adventures under the sun.

ADJUSTABLE WAISTBAND
The adjustable waistband allows for a personalised fit, providing enhanced comfort and mobility while ensuring a secure and flexible outdoor experience.

MOISTURE WICKING
Moisture-wicking fabric draws sweat away from the skin, keeping you dry and comfortable during intense physical activity or hot conditions.

VENTILATION
Ventilation openings are strategically placed for enhanced breathability, helping to regulate body temperature and keep you cool during physical activities.

ANTI-BACTERIAL
Anti-bacterial treatment helps keep your gear fresh, reducing odour and bacteria buildup even after prolonged wear in challenging outdoor environments.

ORGANIC
Made with organic materials, this garment supports sustainability and eco-friendly practices, ensuring you stay comfortable while minimising your environmental footprint.

WATER-RESISTANT
Water-resistant fabric provides protection against light rain and moisture, keeping you dry and comfortable without compromising breathability or flexibility.

DETACHABLE HOOD
A detachable hood offers versatility, allowing you to adjust your outfit to changing weather conditions, providing both warmth and freedom when needed.

QUICK DRY
Quick-drying fabric ensures you stay dry and comfortable even in unpredictable weather, allowing you to continue your outdoor adventure without interruptions.

WAXED TREATMENT
Waxed treatment enhances durability and water resistance, providing an extra layer of protection against the elements while maintaining a rugged, stylish look.

FLEXIBILITY
Designed with flexibility in mind, this garment offers unrestricted movement for outdoor enthusiasts, whether hiking, climbing, or exploring.

SADC
Proudly produced in the Southern African Development Community (SADC) region, promoting local craftsmanship, regional economic growth, and sustainable trade.

WINDPROOF
Windproof fabric blocks out cold winds, providing superior protection and warmth, making it ideal for outdoor activities in blustery conditions.

BRANDING OPTIONS

EMBROIDERY
Embroidery is the art of decorating fabric with designs stitched in strands of thread. Embroidery machines are driven by computers that read digitised Embroidery files created by special software.

SCREEN PRINTING
Screen Printing is the process whereby a logo is transferred onto a garment via a mesh screen. This method provides excellent coverage and is especially good for large and bold logos. Colours are printed one at a time so accurate registration is essential.

DIGITAL TRANSFER ON CLOTHING
Digital Transfer on Clothing is a process by which a digital image is printed onto specialised transfer paper. The transfer is then applied to the garment using a heat press process. Specialised digital printing machines use liquid ink instead of toner ink to ensure long-lasting flexibility and durability of your logo. This process, using state-of-the-art technology, creates vibrant, photo-realistic results and is the perfect choice for fine detail and full colour logos.

HEADWEAR

Essential for any adventure, the right cap or hat protects you from the sun's rays while shielding your eyes, face, and neck. Designed for comfort and durability, our headwear offers a variety of features to meet the demands of the outdoors. Some styles are quick-drying, ideal for intense activities, while others are water-resistant or treated with a waxed finish to provide extra protection in wet conditions. With lightweight fabrics and a focus on practical design, these hats ensure you stay cool, dry, and protected, ready for whatever nature throws your way. Perfect for any outdoor expedition, our headwear combines reliability, comfort, and style.
